MEMORANDUM FOR: See Distribution

SUBJECT: Senate Select Committee on Intelligence
(SSCI) Hearings on the FY 1983 NFIP
and udgets

STAT

1. The SSCI advises that its FY 1983 budget authorization hearings will begin on Monday, 8 March, with a functional overview of the NFIP. They have provided us with an advance copy of a letter to the DCI which sets out the rest of the schedule and gives some guidance as to how the Committee wishes to review this year's requests. Because of the short lead time I am attaching a copy of that letter for your information. We anticipate that it will shortly be signed and forwarded to the DCI with no changes; if that proves not to be the case we will notify you immediately.

2. For each of the scheduled hearings I have listed below suggested lead and backup witnesses, and an action office responsible for drawing together statements for the record, coordinating testimony, and insuring response to questions for the record. Of course you are free to modify or expand on these suggestions, but please keep us informed if/as you do. My Office of Community Coordination will serve as a central point of contact and provide any needed assistance. Here is the way I suggest we organize for the SSCI:

<u>Hearing Date & Time</u>	<u>Topic</u>	<u>Suggested Witness(es)</u>	<u>Action Office</u>
8 March 1400-1700	DCI Overview	Adm. Inman*	IC Staff
9 March 1000-1300	Analysis & Production	<div style="border: 1px solid black; width: 200px; height: 250px; margin: 0 auto;"></div>	DDI
